SPRING PICTURES

The Spring class pictures will be on Wednesday, April 11th. All students will be in their class picture and only the students who have pre-ordered or sent in the order form for individual pictures will have them taken separately.

YEARBOOKS!

Order your yearbooks now if you have not already done so. Many great pictures have been taken of the students this year. We did not order as many copies, so reserve your copy now. They will be distributed in May and a paper book, for yearbook signing, will be given to those who have not pre-ordered. The initial cost for a pre-order of a yearbook is \$15.

Visit us on Facebook or on our website!

CHILD FIND

Child Find is an ongoing screening process for children ages 0-5. Child Find helps determine whether the child is growing and developing properly. Any child who will be attending preschool in the fall should be screened.

The next scheduled screening will be held on Monday, April 23, from 8:00 until 11:30 am. Please call the school at 748-3911 if you have any questions or want to schedule a screening.

Areas covered in the screening are: speech development, social, cognitive, fine and gross motor skills.

If you know of a family with a preschool child, let them know they can contact us at 719-748-3911 for a screening.

"SOUP'ER ART SHOW" #10

The tenth annual *Soup'er Art Show* will be held on April 12th at 6:30 p.m. Money raised from this event helps to fund the art program. This is a very popular event for the whole community.

Families are asked to bring a soup, stew, or chili for others to try. There will be a fee of \$1/bowl to eat these wonderful creations. Art work by all the students will be on display. Some art will be available to purchase!

Come and acknowledge our wonderfully creative artists!

CMAS TESTING

CMAS state testing will begin April 9th. Have your student get plenty of rest and be present and on time for testing!

LANDSHARKS (RUNNING CLUB)

Students are practicing their running skills on Mondays and Wednesdays after school. The first practice will be on April 4. The races will be on April 23 and 30, and May 7, at Woodland Park Middle School.

VOLUNTEER APPRECIATION

We wish to thank the volunteers who put in countless hours helping the school in many different ways. Your time and kindness have not gone unnoticed.

Volunteer Appreciation Week is April 24-26. Plans are underway to acknowledge all of our volunteers at a school social on Thursday, April 26, at 3:00. Please come and thank each volunteer personally.

YES CLUB

YES (Young Environmental Stewards) Club, will be wrapping up the year on April 17. This year they did a lot of work pertaining to underground ecosystems. Students explored plant, insect, wild animal, and human relationships to the earth. Their final symposium will be on April 14. Great job to our YES Club members!!
